### Child Care Services:

Two types of optional Child Care Services will be offered at the ESA Annual Meeting: Infant, Toddler, and Preschooler Care for children 3 months to 6 years of age, and Youth Summer Camp for children 6 to 14 years of age. ESA requests pre-enrollment of children no later than Friday, July 2, 2004, and requires pre-payment of fees for all child care services. Higher fees will apply after this date and enrollments will be accepted on a space available basis.

To register one or more children for Infant, Toddler, and Preschooler Care and/or for Youth Summer Camp, please complete a Child Care Services Enrollment Form and a *separate* Child Care Profile and Accident Waiver and Release of Liability Form for each child enrolled. You will find a link to these and other meeting related forms posted on the ESA website at [www.esa.org/portland/registrationForms.html](http://www.esa.org/portland/registrationForms.html).

### Student Volunteer Opportunity

If you are an undergraduate or graduate student, you may apply to serve as a Student Volunteer at the ESA Annual Meeting. Only a limited number of Student Volunteers will be accepted and these slots will be filled on a first-applied, first-notified basis. Please do NOT apply unless you will be available to provide 14 hours of service during the meeting. (Applicants who are selected will be notified in early July.)

**PLEASE NOTE:** Preference will be given to those who served as Student Volunteers at the 2001, 2002, or 2003 ESA Annual Meeting and/or those who are accepted as student field trip coordinators, van drivers, or session projectionists by Local Host Co-Chairs Paul Ringold or Al Solomon.

If you want to be considered to serve as a Student Volunteer, please check here.
